16 September 2009

**To Whom It May Concern:**

**RE: Aqua Master Plumbers Pty Ltd**

Aqua Master Plumbers Pty Ltd subcontracted to Delaney Civil Pty Ltd to provide plumbing services on works associated with installation and commissioning of two cast insitu concrete wastewater treatment tanks (50,000 liters). The works also included installation of trade waste lines for the Berri Juices Smithfield site in Sydney.

The Plumbing services Aqua Master Plumber's have provided to our company have been based on sound technical knowledge, customer service and service delivery.

Their team stand out for their professionalism and integrity. They are reliable, provide honest advice, and perform the work quickly with minimal disruption to business often performed out of ordinary working hours and all this within budget. They provide the right and permanent solutions to all plumbing needs and do a great job which makes dealing with them a pleasure.

We would highly recommend Aqua Master Plumbers for their services without hesitation and please call me on 0418 450 688 if you require any further information.

Regards

Gerard Delaney  
Director
